Università degli Studi di Trieste - DSV Via Weiss 2 - Pal. Q 34128 Trieste

P-care is a project funded by the European Union, European Regional Development Fund and Interreg V-A Italia-Austria 2014-2020

Opportunity for collaboration

Bioethics approvals provided by regional bioethics committees (Tirol (AUT), South-Tirol (ITA) and Friuli Venezia Giulia (ITA) specifically regulate the type and extent of collaboration and sharing of tissue samples, PBMCs and tumor-organoids. Interested colleagues are kindly asked to study the attached patient sample lists and contact: sschoeftner@units.it for more detailed information.
